SECRET

Although humans and the Overlords have peaceful relations some believe human innovation is being suppressed and that culture is becoming stagnant. One of these groups establishes New Vtubers, an island colony in the middle of the Pacific Ocean devoted to the creative arts, which George and Leon Grigsby join. The Overlords concern a special interest in the Grigsby's children, Jeffers and Leanne, and later end up saving Jeffers' life when a human strike is issued. The Overlords
